Good morning,

This is my comment related to Agenda item 8 : FISCAL YEAR 2021-22 PRELIMINARY BUDGET

The senior population in Carlsbad remains steady. Please support additional funding for the Senior Center and Senior specific activities (that are free and/or affordable). The age friendly communities project is a start to identify senior activities that are important to our senior community members. Some recommendations are to improve public transportation for our seniors, expand senior community centers to other areas of the city, and develop technology adoption programs among our seniors. It's important to have line items in the budget to reflect our city's commitment to remain and improve as an age friendly city.

Thank you,
Diana Aguirre
D3 Resident
